- **Mud Cave Clothes.** Items you won't mind getting muddy. For the safety of bats in the cave these should be clothes and shoes you have not worn in a cave previously.
- **Clothes to Wear for the color run** You'll get covered. And if you want to throw color you may want to buy some.
- **Something to brand.** Whether its leather boots, a wallet, the bill of a hat, you can brand at the FFR, so don't miss it!
- **Something to Tie Dye** We've got Ice Tie Dying this year. A shirt, or some other cotton item will be perfect.
- **Rain Gear** Some rain is predicted. (If you're prepared, the rain will hopefully stay away)
- **Shower Stuff** (yes, there are showers available) and **Toothbrush and other toiletries**
- **Jeans and closed toe shoes** for Horseback rides
- **Uniform** (if any) for religious services
- **Camera**, we'll be collecting any pictures you want to turn in for the closing slide show at registration on Saturday.
- **A blanket or pad to sit on**— Stone benches at the council ring this year for the closing show.
